

# Our Shared Housing

Our Shared Housing are clean and inviting, and our staff make sure the seniors feel comfortable and at home while they are in our care. Our services are personalized to meet individual needs. We provide these exceptional services by focusing our programs on our values: Well-Being, Relationships and Wealth. Families, caregivers and care partners can rest assured with no stress knowing that their relatives and clients are living in a safe, secure, family friendly environment. Here are the care and services types we offer:

- Assisted Living
- Independent Living
- Respite Care
- Ambulatory Transportation

## About Us
